

Dear Caregiver:

We wanted to let you know of a change that will be occurring with your BOOST® Nutritional Energy Drink from Nestlé HealthCare Nutrition, Inc. (Nestlé). Nestlé has announced that the BOOST Nutritional Energy Drink package will be changing from a can to a new bottle design.

Current Can

New Bottle

The new design is easier to hold and provides the option to re-seal the bottle. We think you will enjoy this new packaging. There has been no change to the formula itself; it is the same BOOST that you have been using. You will continue to use the new product exactly as you have used the canned product. You can expect to see the new bottle in the next month or so.

If you have any questions about this packaging change, please don't hesitate to contact us.

Thank you.

Sincerely,

Dear Caregiver:

We wanted to let you know of a change that will be occurring with your nutritional product from Nestlé HealthCare Nutrition.

Nestlé has informed us that your enteral nutrition formula _____ is being discontinued and will be replaced with _____. We have reviewed this change with your physician and he or she has reviewed the new product and approved its use for you.

Within the next month, we will be replacing _____ with _____. As you finish your current product you will simply start to use the new product. You do not need to make any changes in how you use your nutritional product.

If you have any questions about this new product, please don't hesitate to contact us.

If you have any product related questions, please don't hesitate to give us a call or contact Nestlé HealthCare Nutrition's InfoLink™ Product and Nutrition Information Service at 1-800-422-2752.

Thank you.

Sincerely,
